

the friendly face of tennis

## Opportunities to Play at LGLTC

There are many opportunities to play tennis at Leverstock Green:

- **Social Tennis.** We have two types of social tennis: organised and unorganised. During organised socials a coach or leader will put you in fours, you play for 30mins and then come in to swap around again. These happen in the summer on Wednesday evenings (6.30pm – dark) and in the winter under floodlights on a Friday evening.  
In unorganised socials members sort themselves out, swapping onto court after a set. These happen on a Sunday morning 10am – 1pm throughout the year, as well as once a month on Saturday afternoons (3pm-5pm) in the summer.
- **Boxes.** Singles and Doubles Boxes run throughout the winter and, in a very relaxed fashion, the summer. These are a great way of getting matches against other members of a similar ability. If you fancy playing doubles and haven't got a partner or are unsure of your standard please talk to Graham.
- **Intra-Club Tournaments.** The club organises a number of tournaments throughout the year: Club Closed, Handicap and Winter (each of which includes singles and doubles). They each include a Plate competition and culminate in a finals day.
- **Bank Holiday Tournaments.** Most bank holidays the club holds a mixed doubles American Tournament. These tournaments are really good fun, very friendly and are an excellent way to get to know everyone.
- **Sign up for a hitting partner.** Sign up sheet for finding a hitting partner can be found on the PC notice board.

Information about all these playing opportunities is sent out to members by email as and when they arise. If you have any questions about any of them please ask one of the Playing Committee for advice - contact details of all PC members are on the PC noticeboard.
