

Leverstock Green Lawn Tennis Club
Voting Playing Members Meeting
(previously known as EGM)
Mon 17th July 2023 7:30pm in the Clubhouse

The Main Committee would like to invite all members of LGLTC to a “Voting Playing Members Meeting” – previously known by some as an Extraordinary General Meeting.

This meeting will comprise a short presentation from the Development Committee which will conclude with recommendations to seek planning consent which is a “Reserved Matter” in our Articles of Association, therefore requiring a vote at a Voting Playing Members Meeting.

Resolutions:

1. That planning permission for floodlights on certain courts should be sought.
2. That planning permission for an Air Dome over certain courts should be sought.
3. That planning permission to extend a fence by up to two metres may need to be sought.

The meeting will last about an hour.

Please put Monday 17th July in your diaries – the future of your club depends on everyone’s involvement.
